

● Simplify. Automate. Analyze. Grow. ●

Smart ERP Solutions for Smarter Business Management

Creatives Software is an advanced ERP solution built to manage daily business operations, reduce manual effort, and provide real-time insights through powerful dashboards and customizable reports.

Product Features

GST Ready

Powerful Security

Email Integration (SMS/EMail Integration)

Easy To Use (Easy to Data Entry)

Material Management System(MMS) (Order / Challan / Invoice)

Auto Backup (Automatic Update)

Zooming On Envery Report (Zoom(Account/Inventory))

Plan Design Management System(PDMS) (BOM/Production)

Financial Accounting System(FAS) (Stock Management)

Customized Reporting Tool (Report Creation Customization)

Single Click Eway-Bill / Invoice Generation (Eway-Bill / Invoice Generation)

Audit Reporting (Audit Trail)

Single Database Multi Location Connectivity With Multi Company (Multi-Site Account)

Inter Company Auto Purchase

Excel base Data Import

WhatsApp Base Sms With Attachments (New)

Dashboard With Graphical View

Live Location Tracking System

Best Service

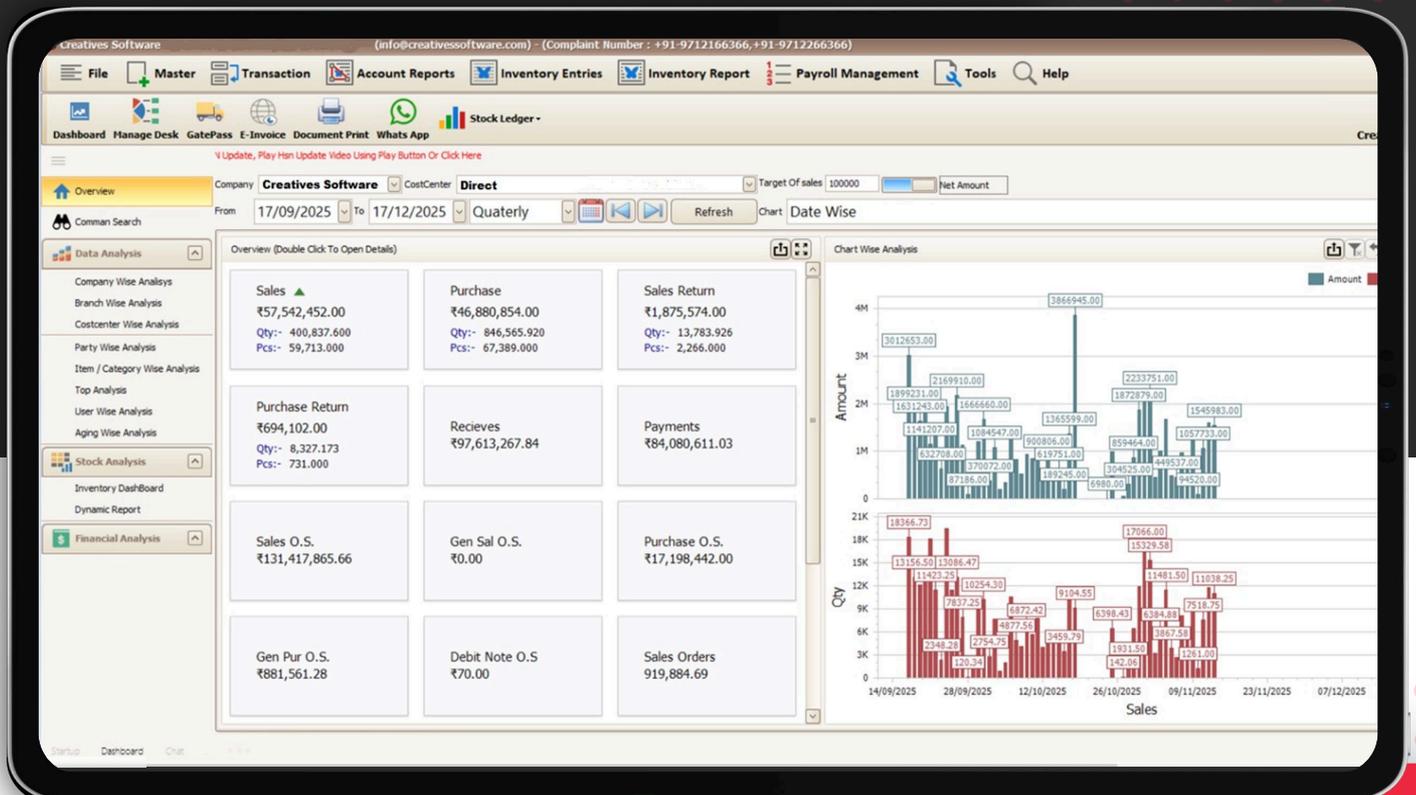

Software Information

➔ Creatives Software – Smart ERP Solutions for Smarter Business Management.

➔ Our ERP software is designed to help businesses manage daily operations efficiently, reduce manual work, and make data-driven decisions with real-time reports.

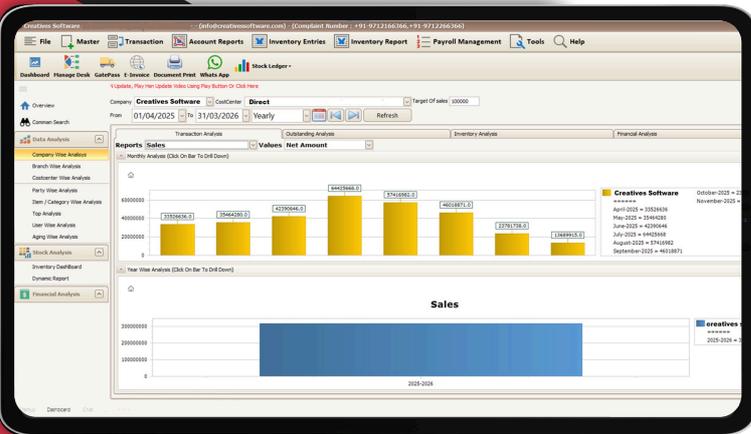

➔ Our software offers powerful features such as multiple E-way Bills support, advanced document printing options, automatic WhatsApp messaging, dynamic reports, and fixed reports.

➔ Dynamic reports with customizable columns, advanced filters, export options, and instant WhatsApp sharing for smarter business analysis.

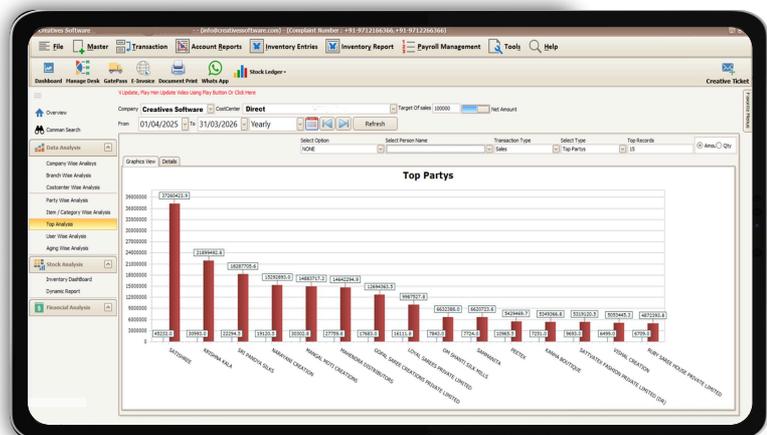

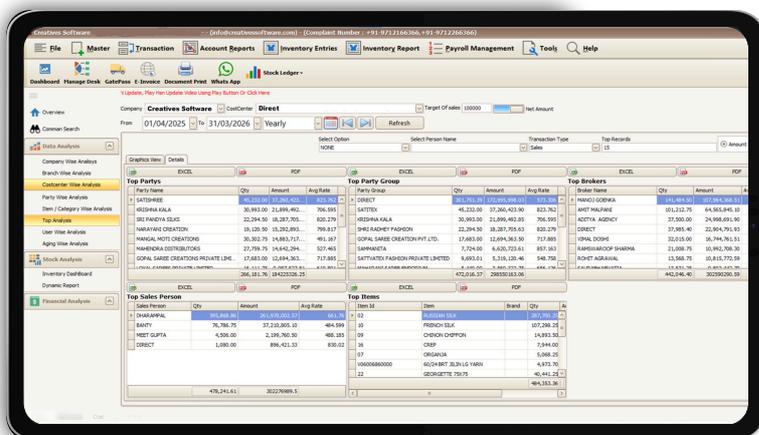

Company Wise Analysis

- ➔ Analyze sales, purchase, returns, and receipts separately for each company
- ➔ View monthly, yearly, and date-wise performance in graphical and tabular formats
- ➔ Compare net amount, quantity, and value across multiple companies
- ➔ Interactive charts with drill-down options for detailed analysis
- ➔ Easy company and cost-center selection for accurate reporting
- ➔ Helps management track growth, trends, and decision-making effectively

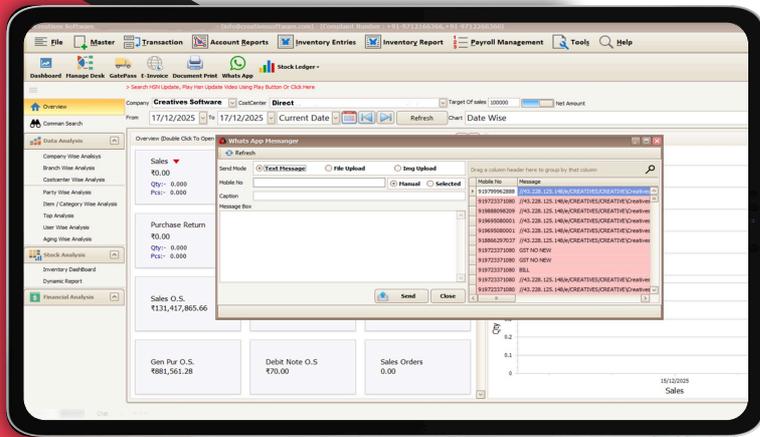

Top Analysis

- ➔ Analyze top-performing parties, party groups, brokers, salespersons, and items in one screen
- ➔ Switch easily between detailed tabular view and graphical chart view
- ➔ Identify top records based on amount or quantity
- ➔ View average rate, total quantity, and net amount for accurate comparison
- ➔ Filter data by company, cost center, date range, and transaction type
- ➔ Export top analysis reports to Excel and PDF formats

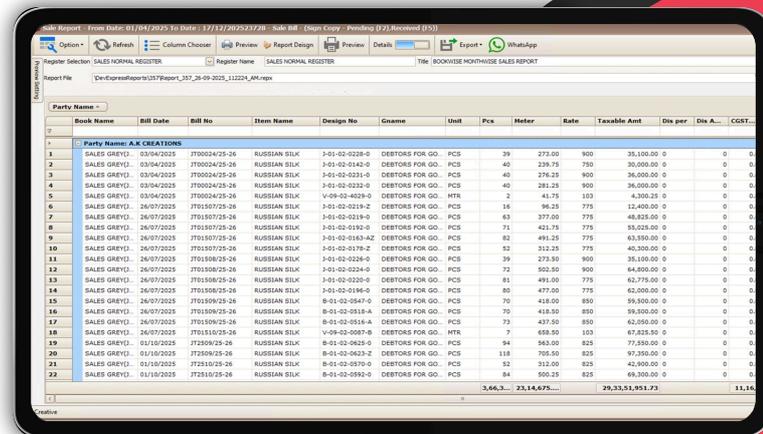

Auto WhatsApp Messenger Sender Feature

- ➔ Send invoices, reports, and documents directly via WhatsApp from the ERP
- ➔ Support for text messages, file uploads, and image sharing
- ➔ Send messages to single or multiple selected parties
- ➔ Automatic message history tracking with delivery status
- ➔ No need to open WhatsApp separately — everything managed from one screen
- ➔ Saves time and improves faster communication with customers

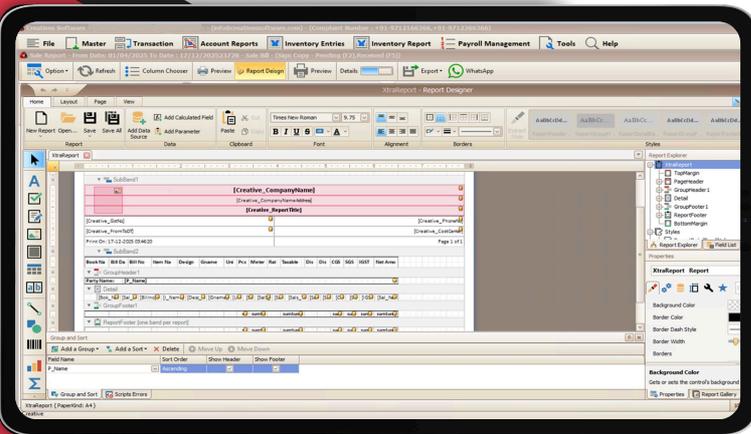

Dynamic Reports - Also you can change the Report Design and Columns Customization

- ➔ Dynamic column selection to add, remove, or rearrange fields as needed
- ➔ Advanced filters for date range, party name, book, and item
- ➔ Automatic calculation of quantity, meter, rate, tax, discount, and net amount
- ➔ Group data party-wise with expandable drill-down details
- ➔ Export reports to Excel, PDF, or share directly via WhatsApp

Customize Report Design

- ➔ Design and customize reports as per your business format and requirements
- ➔ Add, remove, and rearrange columns, headers, and footers easily
- ➔ Create calculated fields, totals, and group-wise summaries
- ➔ Apply custom fonts, alignments, borders, and layouts
- ➔ Save multiple report formats and reuse them anytime

Fixed Reports Option

The image shows a screenshot of a 'SALE - SALES DETAILS REGISTER' report. The report is titled 'SALE - SALES DETAILS REGISTER' and shows a list of sales transactions. The columns are: Auto No., Inv No., Date, Item Name, Lot No., Agent, Cops, Nos, Qty, Rate, Sal. Amt, Insurance, Freight, Taxable Amt, COST, SOST, HST, and TCS. The report is filtered for the period 'FROM : 01/04/2025 TO : 17/11/2025'. The report is divided into several sections based on 'PARTY' and 'ITEM'. The first section is for 'PARTY : A.K CREATIONS' and includes items like 'RUSSIAN SILK' and 'RUSSIAN SILK'. The second section is for 'PARTY : ABHINANDAN SILK MILLS PRIVATE LIMITED' and includes items like 'RUSSIAN SILK' and 'RUSSIAN SILK'. The third section is for 'PARTY : ADITI CREATION(AJIPUR)' and includes items like 'RUSSIAN SILK' and 'FRENCH SILK'. The fourth section is for 'PARTY : ADITI FASHION TRENDZ' and includes items like 'SATIN CREPE' and 'RUSSIAN SILK'. The report shows a total of 4 sales transactions with a total amount of 4,432,000.00.
